

Kitchen Designer (Full-Time) – Chaulk

 *Huntsville, Ontario – Hybrid Role*

Chaulk (shopchaulk.com), a premium design destination for cabinetry, interiors, and curated home living, is seeking a passionate and creative Kitchen Designer to join our growing team.

This is a full-time, hybrid position with flexibility to work remotely and in-office. The ideal candidate will bring strong design acumen, customer focus, and an eye for detail to help bring dream kitchens and other cabinetry projects to life for our clientele.

What You'll Do

- Collaborate with clients to design custom kitchens and cabinetry solutions that blend form and function.
- Create 2D/3D renderings and detailed floor plans using industry-standard design software.
- Guide clients through the full design process, including selections, budget planning, and revisions.
- Price/quote designs and revisions using our simplified methods of pricing multiple levels of cabinetry at the same time.
- Coordinate with the production team to ensure accuracy in measurements, materials, and timelines.
- Provide a seamless, professional, and inspiring experience from consultation to final install.

What You Bring

- 3+ years of experience in kitchen, cabinetry, or interior design
- Proficiency in design software (e.g., 2020 Design, Mozaik, SketchUp, AutoCAD, or equivalent).
- Exceptional communication and interpersonal skills.
- Ability to manage multiple projects and deadlines with ease.

- A passion for modern, functional, and beautiful spaces.
- Availability to work every other week on-site for 4 consecutive days. 7am-5pm

Why Join Chaulk?
